

Outstanding Promotion of PT Award 2007

Each year, the Colorado Chapter gives recognition for an outstanding job in promoting physical therapy during October – National Physical Therapy Month.

This year's award goes to Britt Smith, PT, DPT, and the West District. Together, Britt and the West District have brought outstanding continuing education to West Slope physical therapists. Sponsoring a half dozen excellent, cutting edge continuing education programs over the past several years, and bringing in internationally known presenters. Britt never takes no for an answer and nothing is impossible in his mind.

An avid and passionate promoter of our profession, we are happy to acknowledge Britt Smith and his West District with our 2007 Outstanding Promotion of PT Award.
